The Hancock County Fair Board takes this opportunity to invite everyone in the county to "YOUR FAIR". The success of the District Fair is made possible through your continued support and interest in our youth—the leaders of tomorrow. We welcome everyone who is interested in our 4-H and FFA members as well as the many commercial exhibitors. The Fair Board hopes town and rural people will attend the fair to see what our young people have been learning with their clothing, home furnishings, foods, livestock and other project areas throughout the year. In addition, the many commercial exhibitors welcome you to visit their displays during the District Fair.
